

Public Meeting Notice

Brown Square Park Festival Site Plan

Tuesday, August 4, 2009, 7:00 pm
City Council Chambers
30 Church Street, Rochester

The City of Rochester and Norris Design, a planning and landscape architecture consulting firm, are preparing a feasibility study related to the development of an enhanced festival site at Brown Square Park.

The purpose of this meeting is to:

- identify the special event needs of the community
- assess the need for and functionality of an enhanced festival site
- discuss issues that should be addressed in the study

We invite all members of the public and business community to assist us in this process and provide their input.
